PLANTERS

ANNUAL.

GARDEN, FIELD AND FLOWER SEEDS.

The Haven Seed Co.,

SEED GROWERS and MERCHANTS,

→ South Haven, Mich. ←

MARKET GARDENERS' SUPPLIES.

LAWN GRASS AND GRASS SEED MIXTURES.

SEEDS FOR GREEN FERTILIZING.

Vegetable Plants in Season--

Tomato, Cabbage, Cauliflower, Sweet Potato, Pepper, Egg Plant, Celery.

Our Price List is made up as usual for the especial use of planters of south-western Michigan.

Our prices will be found very reasonable. Please compare with other reliable houses. We will try to meet honorable competition.

Parties needing large bills of seed should submit a list for special prices.

If seeds are wanted by mail, add 8 cents per pound for postage. Packets will be sent free by mail.

We carry a large stock of Seeds and shall try to please all our customers. If you don't see what you want herein, ask for it.

Respectfully,

THE HAVEN SEED CO.

**White Rock Swede.**

**SWEET HERBS.**—Per packet 5c.

Sage, Coriander, Fennel, Wormwood, Caraway, Dill, Anise, Thyme, etc.

## FARM SEEDS.

### GRASS SEED.

Weed seeds are more likely to be introduced on the farm by the use of cheap grass seed than in any other way. Therefore it is wise to purchase the best—that which is as free from foul stuff as possible. We use great care to select those samples which are clean and we think our customers will be well satisfied.

As the prices change according to the market we cannot quote a fixed price on Grass

Seed, Field Peas, etc., but will be pleased to quote prices at any time.

We aim to have the following seeds constantly in stock:

Clover—Medium Red, Mammoth, Alsike, Alfalfa, Crimson, and White.

Timothy, Blue Grass, Red Top, Orchard Grass, etc.

Millet, Golden Millet, Hungarian Grass, etc.

Field Peas, Cow Peas, Cane, Kaffir Corn, Fodder Corn, Yellow Dent, Red Cob Ensilage-

**Grass Seed Mixtures.**—For Permanent Meadow, Pasture, Lawns, etc., and adapted to all kinds of soil. Give us a description of your land and state area and we will make price for a suitable mixture.

### SEED CORN.

**80-Day White Cap Dent.**

**Early Huron Dent.**

Other varieties furnished on orders.

### ONION SETS.

**English Multipliers.** (In stock).

White, Yellow and Red bottom sets furnished on orders. We sometimes have them in stock.

The following seeds are not kept in stock but will be promptly furnished on orders, if obtainable:

Spring Wheat, Barley, Oats, Flax, etc.

## LAWN GRASS.

A well kept lawn is the **best** part of a door yard. To produce a good lawn, good seed must be used. **Haven's Lawn Grass Seed** mixture is not surpassed by any other. We mix this seed ourselves and know it to be of superior quality "No dirt, No chaff, No weeds."

Usually about *one* pound to three square rods gives good results.

A circular about how to seed a lawn will be furnished free to our customers on request. If to be sent by mail kindly enclose a stamp.

Price 30 cents per pound. Four pounds for \$1.00. Special prices on larger lots.

We would be pleased to have presented our friends with a larger **Annual**, containing much more of descriptive matter, also the experience of gardeners and all who plant seeds in this locality; but time and other circumstances have made it impossible. We have a large amount of "copy" for this purpose. We want every reader of these pages to know that this **Annual** is for home use and will be of more actual value to planters than any other list published.

## FLOWER SEEDS.

Our list of Flower Seeds is made up of the best and most desirable varieties. Any kind or color not here named can be furnished promptly, and in any quantity desired.

Price 5 cents per packet unless otherwise noted.

ADONIS, or PHEASANT'S EYE. Crimson flowers. Dark, fine cut foliage.

AGERATUM. For borders or beds. Profuse bloomer.

ALYSSUM, SWEET. Fine for borders.

ASTER.

ASTER, MIXED. Finest colors.

ASTER, WHITE BRANCHING. Good for cutting.

ANTIRRHINUM, or SNAP DRAGON. An old favorite. Nice for borders.

BALSAM. Beautiful colors. Easily grown.

BARTONIA AUREA. Bright yellow flowers. Blooms all summer and until after frost.

CANDYTUFT. For cutting.

CALENDULA, or Pot Marigold. Showy yellow and striped flowers.

CALLIOPSIS. Mixed colors. Plants 2 or 3 feet high.

CAMPANULA, or Canterbury Bell. Perennial.

CENTAUREA. Bachelors Button. Annual.

CENTAUREA. Double mixed Pkt. 10c.

CARNATION, Margurite. Profuse bloomer. Fragrant.

COSMOS. Hardy annual 3 to 6 feet tall. Blooms late.

CYPRESS VINE. A pretty climber.

DAHLIA. Double Mixed. Bloom from seed the first year.

DIANTHUS CHINENSIS. (Pink). Rich, showy flowers.

ESCHSCHOLTZIA, or California Poppy. Brilliant poppy like flowers. Colors.

EVERLASTINGS. All varieties mixed.

FOUR O'CLOCKS. Well known and very pretty. Many colors.

SALPIGLOSSIS, Grandiflora. Colors. Long-stemmed, funnel shaped flowers.

SWEET PEAS. Mixed varieties.

SWEET WILLIAM. Richly marked.

VERBENA. Choice mixed. Easily grown.

ZINNIA. Large double flowers, very showy.

**THREE FLOWERS That everyone ought to have and that everyone can raise.****NASTURTIUMS.**

Are old favorites, and the new brilliant colorings and markings make them a very desirable flower. They thrive and bloom profusely on the poorest soil, and the tall varieties are very pretty to plant where they can climb on a fence or other support.

The dwarf varieties grow in a neat bushy form and are a decided contrast to the tall kinds. Price, pkt. 5c.; oz. 10c.

**Tall.** Mixed colors.

**Dwarf.** Mixed colors.

**Named varieties.** We do not keep in stock but can furnish them on very short notice.

**PANSIES.**

With their lovely "faces" and rich colors are everywhere a favorite. They should have a good rich soil and be partially shaded from the sun in midsummer. The seed ranges in prices from 5 cents per packet for good strains up to 25 cents for the finest named varieties. We keep choice mixed seed in stock at 5 cents per packet. All others will be furnished to order.

**SWEET PEAS.**

The most popular of all flowers.

Easily grown, being perfectly hardy.

The vines bear a profusion of beautiful flowers from about July 1st until late in the fall. The blossoms must be kept picked off or the vines will die.

Our list comprises all the principal and most desirable colors.

Price:—Pkt. 5 cts.; oz 7 cts.;  $\frac{1}{4}$  lb. 20 cts., except when otherwise noted.

**KATHERINE TRACY.** Soft, brilliant pink.

**MRS. ECKFORD.** Primrose yellow.  $\frac{1}{4}$  lb. 25 cts.

**DOROTHY TENNANT.** Mauve.  $\frac{1}{4}$  lb. 25 cts.

**FIREFLY.** Very brilliant scarlet.

**EXTRA EARLY BLANCH FERRY.** Some days earlier than Blanch Ferry.  $\frac{1}{4}$  lb. 25 cts.

**CAPTAIN of the BLUES.** Pale blue.  $\frac{1}{4}$  lb. 25c.

**EMILY HENDERSON.** White.

**CARDINAL.** Scarlet.

**BOREATON.** Very dark maroon.

**IGNEA.** Scarlet crimson.  $\frac{1}{4}$  lb. 25 cts.

**BLANCH FERRY.** Pink and white.

**FINEST MIXED.** of best named varieties.

**CHOICE MIXED.** Many varieties and colors. oz. 5 cts.;  $\frac{1}{4}$  lb. 15 cts.

**VEGETABLE PLANTS.**

We are extensive growers of Vegetable Plants including all the staple kinds. Having a long experience in growing and selling them we believe we can serve your interests satisfactorily.

When it is considered that plant growing requires constant attention, and that neglecting them "just once" often ruins the result of weeks of patient care, does it not seem reasonable that a man THOROUGHLY ACCUSTOMED to the needs of young and tender plants can attend to them much better than one who has other business on hand?

We have all the facilities necessary for plant growing and know how to use them. We grow hundreds of thousands of plants and annually from which to produce our seed crops; also large numbers are grown on contract for gardeners and for our regular retail trade.

All our plants are grown from choice seed.

**The Life** of a plant is the root. Our plants are heavily rooted and with proper handling and care will always live and do well.

**Plants Won't Stop** growing and wait until you can set them out. They keep right on and are soon "drawn," greatly lessening their value, besides being much harder to transplant.

**We Avoid this** by making repeated sowings of seed so that our plants are coming into the best condition in a continuous succession all through the planting season. This is important, and is a feature which cannot be attained in growing a small number.

**Lower Prices** on most plants have been made for 1899. We are enabled to do this on account of our increased trade and greater facilities. The same high standard will be maintained and improvement made wherever possible.

**Contract Terms for Growing Plants.** As plants are perishable property we ask a payment of one-fourth of the purchase price when the order is given. For this we give our receipt. The balance is due on delivery of the plants.

**Contracts for Plants** should be made as early as possible. Late orders will be filled if our stock holds out. We have to observe the rule—First come, first served.

**Our regular retail customers** do not need to place their orders in advance, unless it be for some special variety or quantity. We intend to have an ample supply of all principle kinds for the retail trade.

## PRICE LIST OF PLANTS.

We grow plants of most of the staple varieties in the kinds named below. For our retail trade we grow those sorts which will give the best satisfaction, from the earliest to the latest. For contract orders the variety will, of course, be agreed on.

Cabbage, Cauliflower, Celery, etc., may be set as soon as the soil will work up properly, and danger of freezing is over.

Egg Plant, Pepper Sweet Potato, Tomato, etc., can be set in gardens any time in May *if protected from frosts*. OUR RULE for setting the main crop is as follows: If the weather is cold about the middle of May, it is usually safe to set as soon afterward as the ground is well warmed up. But, if warm and summery then, we wait, expecting a cold snap during the latter part of of May, and it usually comes.

Cauliflower, Egg Plant, Pepper, and Sweet Potato plants are kept on sale until about June 20th. Tomato plants until about July 1st. Cabbage and Celery until about August 1st.
